The Community

Mason and Deerfield Township, progressive communities of 40,000 residents 25 miles northeast of Cincinnati, continue to be a destination for upper-middle class, college-educated professionals. Over the past 20 years, it has been one of the fastest growing communities in the region. Great schools, quality neighborhoods, and responsive government services make the area a prime location for raising a family, and educating children.

The District

The Mason City School District ranks 5th in the state out of more than 600 Ohio districts for its overall academic performance. Mason City Schools earned 30 out of 30 standards on the 2009-10 State Report Card. This 'perfect' score puts the district in an elite category ten years in a row. Mason City Schools educate over 11,000 students in an early childhood center, (pre-k, k, 1), two elementary schools (2-3), an intermediate campus (4-6), a middle school (7-8) and high school (9-12). All five eligible schools are recognized as Ohio Schools of Excellence, and have met adequate yearly progress in every category. Mason High school (9-12) is a four-year public high school accredited by the North Central Association. For career education programs, students may attend the Great Oaks Institute of Technology and Career Development.
